What year?	The ASL sign for 'What year?' is depicted. It begins with a circular palm symbol, which is a circle with two parallel diagonal lines inside. Below this, the left hand is shown with the index finger pointing up and the thumb pointing left, moving in a circular path. The right hand is shown with the index finger pointing up and the thumb pointing right, also moving in a circular path. The hands are positioned one above the other, with the right hand slightly to the right of the left hand.
