

Punctuation and Vertical Columns

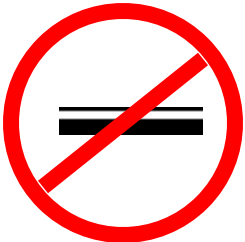

From Lessons in SignWriting Web Gallery

www.signwriting.org

 Full stop	Use at end of a complete thought or sentence (similar to a period).
 Pause	Use in the middle of a related thought or sentence (similar to a comma).

Fast or energetically

Use at the end of a complete thought or sentence (similar to an exclamation point).

Question

NOT USED because question faces indicate a question.

Examples: 

I like ice cream.

When I was five, I went to school.
