

## HOW TO PRINT TO PDF

> Example from the Swiss French SIGNPUDDLE

1. <http://www.signbank.org/signpuddle>
2. Select the Swiss French flag
3. Open the Swiss French dictionary SignPuddle
4. Example to print the list of all animals of the FARM

- Select **search by word button**
- **In this example** Write « **liste: ANIMAUX DE LA FERME** » (sorry it's in French it means FARM ANIMALS )

- Click on search button

2 options to PRINT: 

### OPTION 1

If you click on the result you'll see all the words in the list in the FARM ANIMALS list (theme). You can print the list going at the bottom of the page and clicking on the **PRINT TO PDF**

### OPTION 2

Directly click on the **PRINT TO PDF button** 

**You see all the vocabulary items (words/signwriting) of this list**  
You can keep all the word of the list or take away some of them which you don't want to print (by clicking on them)

You can put them in order A B C D... or leave them mixed

## You have to set up your **printing settings**

### Mise en page

Titre

Nombre de colonnes  1  2  3  4  5
