Dear Valerie Sutton,

I am a professor in UNIVERSIDADE FEDERAL DE SANTA CATARINA in the city of Florianópolis in the state of Santa Catarina in Brazil. Our classroom/research group wants to participate in your project: "**Projeto Wikipedia na Língua Brasileira de Sinais (LIBRAS) 2018**".

We want to learn how to write articles in written LIBRAS in the LIBRAS Wikipedia. We estimate that at least 25 participants or students will want to participate in the project. We are interested in writing articles in LIBRAS, and also testing and using the LIBRAS Wikipedia in Deaf education/research/literacy/Linguistic.
